

DALHOUSIE
UNIVERSITY

Congratulations, Grads of 2023

Convocation is a special experience, a time to celebrate all your hard work and achievements as a student. You are now part of the Dalhousie University alumni community. Welcome!

You are entering a new phase in your life filled with exciting possibilities. Just as Dal supported you as a student, there are many ways we can continue to support you through the next steps of your journey.

There are more than 155,000 Dal alumni around the world, and if the events of recent years have taught us anything, it is the importance of staying connected even when we cannot physically be together.

There are many reasons to connect with Dal, like networking and mentorship opportunities, exclusive benefits, further learning opportunities, and fun social events we all can look forward to in the near future. So, find a way to stay engaged that is meaningful to you, whether that's through attending an alumni event, volunteering or even connecting with us through our various Dal Alumni social media channels.

Lastly, I want to remind you to cherish your time at Dal.

Graduating is one of the most important moments in your life. I hope that when you look back at your time as a Dalhousie student, you are filled with fond memories and pride in all you have accomplished.
